

Thank you very much for your continued patronage to our salon.

Nature Daikanyama places the highest priority on the safety and health of our clients, business partners, employees and their families.

We will continue to open in this month with the utmost consideration to prevent infection.

Please be assured that we are thoroughly implementing measures against coronavirus infection (See below).

We hear of many people suffering from cabin fever and experiencing various problems. We want to help people who suffer from physical problems in these difficult times. Please relieve yourself of the physical problems caused by your stress through our massage treatments. In addition to improving your symptoms at our salon, we take an approach that considers your lifestyle and provides the necessary exercises, stretches, and prescriptions to ensure relief and cure.

We are thoroughly implementing measures against coronavirus infection.

Below are the specific measures we are taking.

- A reservation system that avoids contact with clients
- Thorough disinfection of the salon and all surfaces in the salon using hypochlorous acid solution
- The salon is equipped with Panasonic Nanoe™ air purification technology that deodorizes, inhibits the growth of bacteria and viruses.
<https://airconditioner.my.panasonic.com/nanoe-technology.html>
- All staff wear masks, frequently sanitize hands, gargle and use “Virus Blocker”
- Hand disinfectant for clients is available inside our salon and at the entrance
- The salon is thoroughly ventilated

Request to clients

- We will guide you to the washroom to wash your hands when you come to our salon.
- We ask clients visiting our salon to take their temperature with a non-contact infrared thermometer.
- If you have a fever of 37.5 degrees or higher, or a fever of 37 degrees + cough or cold, or your family members have similar symptoms, please refrain from visiting our salon and rest at home.

(Please do not hesitate to cancel at short notice and re-schedule your appointment if you experience any symptoms)

- Clients are encouraged to wear masks during treatment.

We think that back pain due to the long-term lockdown, autonomic dysfunction due to stress and depression will become serious problems.

Melt away your pain by getting a physical tune up, you can make meaningful use of your time.

For those who are worried about coronavirus and cannot leave home, we also offer in-home massages.

Please feel free to contact us.
